

# mentor

I20fever Mentor CD is an educational product aimed at helping students who are planning for higher education in USA. Goal of the product is to help students at various stages of journey to America and prepare him/her for the same. Mentor CD is a compilation of video presentations of various topics and experiences compiled by the team of I20fever, with the use of latest audio-visual techniques.

## JOURNEY TO USA -DISK ONE

1. Introduction to Graduate School
2. GRE & TOEFL Preparation
3. Working towards your Goal
4. University Selection
5. Application procedure (Material)
6. Apply Advice
7. Financial AID
8. Graduate School Winning Strategies
9. Graduate School Survival Kit
10. Student VISA

## LIFE IN USA -DISK TWO

1. Travel
2. Student Orientation & Immigration
3. USA : The country
4. Students Life Style
5. Graduate Student Life
6. Business Etiquette
7. Managing your finances
8. Job Search
9. Time Management
10. Succeeding Graduate School

All the presentations would be in two easy to navigate audio-visual compact disks, each of 120 minutes duration. These presentations help understand the process of application and challenges in graduate school and would prepare a student to face these challenges on their own. The two disks would act like a mentor to a student and would help in every stage of student's life. I20fever.com is proud to be part of 1000's of student's success in reaching their goals and we believe that Mentor-CD product will help US aspirants reach their goal in an organized and professional way.
